Las Vegas: Day by Day

Day 1: Sunday, March 8 – Arrival in Las Vegas

Your Las Vegas adventure begins with a smooth pick-up right from your doorstep and a light continental breakfast en route to the airport. Upon arrival in Las Vegas, a private transfer will take you to your elegant home for the next four nights — the magnificent Bellagio Las Vegas. This world-famous five-star resort is a destination in itself: celebrated for its dancing fountains, Italian-inspired design, and spectacular lobby Conservatory and Botanical Gardens. Inside, grand marble floors, fresh floral displays, fine art, and gracious service create an atmosphere of refined luxury. Guest rooms are beautifully appointed, many offering sweeping views of the Strip or the fountains, and the pool courtyard evokes a serene Mediterranean retreat. The Bellagio sets the standard for sophistication in the heart of Las Vegas. This evening, gather with your fellow travelers for a festive welcome dinner at one of Las Vegas's premier restaurants.

Day 2: Monday, March 9 – City Tour & Sphere Experience

Start your day with a leisurely breakfast before setting out on a guided tour of Las Vegas. You'll visit some of the city's most legendary sights — the glittering Welcome to Fabulous Las Vegas sign, the Bellagio Fountains, the neon glow of Fremont Street, and the panoramic heights of the Stratosphere Tower. The afternoon is yours to explore. Whether it's relaxing in five-star luxury at the Bellagio, boutique shopping, gaming, resort hopping, or simply people-watching along the Strip, Las Vegas invites you to set your own pace. Early evening, before another wonderful dinner, step inside Sphere Las Vegas for The Wizard of Oz: The Immersive Experience. Using 360° visuals and groundbreaking sound technology, this dazzling reimagining of the classic story surrounds you with brilliant color and music, transporting you down the yellow brick road like never before. It's a one-of-a-kind experience only Vegas can deliver.

Day 3: Tuesday, March 10 – Hoover Dam & Grand Canyon Adventure

Today's journey takes you beyond the Strip to two extraordinary landmarks. Begin at Hoover Dam, an Art Deco engineering marvel that towers more than 700 feet above the Colorado River. With sweeping views of Lake Mead and the desert beyond, the dam is as graceful as it is impressive — a testament to vision and craftsmanship. Continue to the majestic Grand Canyon, one of the world's most awe-inspiring natural wonders. Stand at the rim and gaze across layers of rock that tell more than two billion years of Earth's story. Stroll along the canyon's edge, breathe in the crisp air, and let the sweeping views leave a lasting impression. Return to Las Vegas in the evening, filled with the wonder of two unforgettable destinations.

Day 4: Wednesday, March 11 – A Day of Leisure & Spectacular Shows

Today is yours to indulge. Spend a relaxing morning at the Bellagio's spectacular heated pool oasis — a collection of elegant, Italian-inspired courtyards shaded by cypress trees and dotted with sparkling pools and tranquil fountains. If you prefer, explore the hotel's stunning Conservatory & Botanical Gardens or enjoy a rejuvenating spa treatment. This afternoon and evening, get ready for a night of show-stopping entertainment. First, experience The Carpenters Legacy — a heartfelt tribute that captures the timeless melodies and warm harmonies of one of America's most beloved duos. From "Close to You" to "We've Only Just Begun," the music evokes nostalgia and pure joy. Then, prepare to be swept away by the artistry of Cirque du Soleil. This internationally acclaimed troupe blends breathtaking acrobatics, dazzling visuals, and an evocative score into a sensory masterpiece. The show is pure magic — daring and unforgettable.

Day 5: Thursday, March 12 – Return to WNC

After breakfast, bid farewell to the Bellagio and transfer to the airport for your return flight. Upon arrival, a driver will be waiting to take you back to your doorstep — the perfect ending to a glamorous and unforgettable Las Vegas getaway. This exclusive Globe Treks journey blends the elegance of Las Vegas, the wonder of Hoover Dam and the Grand Canyon, exquisite dining, luxurious accommodations, and spectacular entertainment.

Physical requirements: While all buildings will be ADA equipped, the nature of Las Vegas, the Strip, and large casino hotels like the Bellagio means you should expect some significant walking and should feel comfortable walking ¼ to ½ mile at a time. Expect uneven footing at the Grand Canyon. Much of our transportation to shows and restaurant will be by taxi or uber. Expect significant walking from designated drop-off zones to restaurants and shows. This tour would not be comfortable for a guest relying on a walker or wheelchair.
