## Costa Rica Adventure

---

February 6 - February 13, 2024  
\$4,200 in double occupancy + Airfare | \$4,995 Single

---

**Tour highlights:**

- Tortuguero National Park with a guided eco-cruise of the river rain forest.
- A tree-top bridge walk near the base of the massive Arenal Volcano and a calm water river rafting safari.
- Beach time at Playa Tamarindo on the Pacific coast.
- Fully escorted tour with bilingual drivers.
- Small tour size - with 12 guests or less.
- All transportation, hotels, meals, guides, admissions, taxes & fees.

Costa Rica is a destination like no other. Where else can you visit pristine tropical beaches and sea turtle nesting sites in the morning and take a canopy tour of a lush rainforest after lunch? Colorful and rich biodiversity, massive resting volcanoes, scenic rivers and mysterious cloud forests beckon adventurers to discover the untamed beauty of Costa Rica. This friendly nation hosts thousands of visitors each year to one of Central America's oldest democracies.

Our tour will include the very best of Costa Rica's natural wonders. We begin with a tour of the Doka Coffee Plantation which sits at the base of the Poas Volcano. We travel by bus & boat to Tortuguero National Park for 2 nights. From our eco-lodge we will explore the park by boat, walk the Caribbean beach where endangered sea turtles come to nest, and visit the village of Tortugeuro. We have seen sloth, monkeys, poison dart frogs, iguanas, butterflies, crocodiles, turtles, and hundreds of brilliantly colored birds! We will then travel to the cloud forest environments near the Arenal volcano. An easy drive through the ranch lands of Guanacaste will bring us to Tamarindo for two days at the beach before flying home.

# Costa Rica Adventure

**Day 1 - Arrivals.** After pickup service at your door, fly from Asheville to San Jose, the capital of Costa Rica. Please arrange your flights to arrive in San Jose (SJO) no later than 1pm, as we will then take a short trip to visit the Doka Coffee Plantation before checking into our hotel.

**Day 2 & 3 - Tortuguero National Park and the Caribbean.** We will transit by mini coach toward Siquirres, the entry point for Tortuguero National Park. From here we'll take a boat up river to one of Costa Rica's popular and most biologically diverse National Parks, Tortuguero. The naturalist led boat tour the next day along the rainforest river system is a highlight. We saw 28 different bird species, all 3 indigenous monkey species, a small caiman, a sloth and a river otter last year!

**Day 4 & 5 - Arenal Volcano and La Fortuna.** We will head from Tortuguero to Lake Arenal and check into our beautiful hotel for a relaxing dinner. The next day we will explore Mistico Hanging Bridges Park and take a raft safari on the smooth flowing Peñas Blancas River after lunch.

**Days 6 & 7 - Beach time in Tamarindo.** We will drive around Lake Arenal and through the agricultural and ranch lands of Guanacaste, Costa Rica and make our way over to Playa Tamarindo. The next day is entirely free. Swim, sun and watch the surfers ride the waves into the bay. A sunset dinner beachside will complete our relaxing day.

**Day 8 - Return home.** We'll check out of our hotel and drive to the Liberia airport (LIR) for our return flight. The Globe Treks staff will be on hand to pick us up and take us right back to your home.

River taxi and welcome ashore at Tortuga!
