Enjoy a Norwegian rail journey from the vibrant capital of Oslo to the picturesque fjord village of Flåm. After a change of train in Myrdal we will board the famous Flåm Railway which descends steeply towards the breathtaking views of Aurlandsfjord. There, we will spend two nights exploring Flåm's stunning scenery, highlighted by a fjord cruise on the UNESCO-protected Nærøyfjord. From Flåm, we will continue our rail adventure to the historic city of Bergen, nestled among mountains and fjords on Norway's west coast. There we will explore the colorful Bryggen wharf and take the Fløibanen funicular for panoramic city views. This compact itinerary showcases Norway's spectacular natural beauty and rich urban culture and can be enjoyed as a stand alone tour or linked with our Hurtigruten cruise up the west coast to Norway's far north and Svalbard. Optional post-tour cruise available.
