The storefronts along Fifth Avenue show-case elaborate window displays, each telling a story of holiday cheer and creativity. The air is filled with the scent of roasted chestnuts while the sounds of carolers add a melodic touch to the bustling streets.

We have planned an exciting and manageable tour that will allow you to explore the very best of this energetic and remarkable city: two Broadway shows, top flight restaurants, historical & cultural sites. Join us and we’ll show you the very best of **The Big Apple** in her true holiday spirit.

# New York City

Opened on January 1, 1892, **Ellis Island** became the nation's premier federal immigration station. Today, over 40 percent of America's population can trace their ancestry through Ellis Island. The Statue of Liberty Park is comprised of both Ellis Island and Liberty Island. The “**Statue of Liberty Enlightening the World**” was a gift of friendship from the people of France to the people of the United States and is a universal symbol of freedom and democracy.

There is so much to see and do in New York City! The **museums** are enough to keep you engaged for a month! And, of course, the shopping opportunities on Fifth and Madison Avenues, Macy’s and Bloomingdale’s are simply world renowned especially as the holiday shopping season begins.
