

New Orleans!

Mobile, AL

After departure from Hendersonville, we will head south, stopping for lunch near Atlanta and then continue to LA (Lower Alabama!) until we arrive in the port city of Mobile to spend the night. We'll visit lovely Bellingrath Gardens, have lunch in Biloxi at The Half Shell, and arrive in New Orleans to check into the lovely Le Pavillon Hotel before dinner.

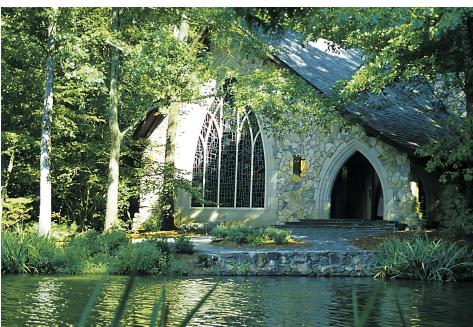

New Orleans, LA

The next 4 nights will be spent in New Orleans, LA. With so much to see and do, we always choose to begin with a comprehensive city tour to familiarize our guests with the town. Our guide will show us the city landmarks including the French Quarter, St. Louis Cathedral and the Garden District. We will see the protective levee system and stop for some beignets at City Park. Join us for a scenic jazz cruise on an authentic Mississippi River paddle wheeler and take your time exploring the National World War II Museum. We will be dining in style during our stay in New Orleans and will enjoy some of our favorite restaurants which may include Mr. B's Bistro, the Bon Ton Café, Muriel's (of course), and Café Du Monde. We'll seek out some cool jazz on Bourbon Street to top off our stay in The Big Easy. Included in itinerary, we will visit at least two of the beautifully restored plantations that make up the famous River Road. We always enjoy getting out in the bayou with some real Cajuns to learn about the Swampers and their interesting and colorful life stories. All this fun will along the river road that winds its way through the Big Easy.

Callaway Gardens, GA

If you have never been to Callaway Gardens' 6500 acres of azaleas and woodlands, then here is your chance. Located among the final rolling hills of the Appalachian range, Callaway Gardens is an exquisitely beautiful place in any season, but most impressive in spring. We will arrive in time for a visit to the Butterfly House before having a nice dinner followed by a restful night. We will spend our final morning together strolling the gardens and have lunch at the resort before heading home to the mountains. It is a beautiful way to end a lovely week.
